Professional Summary

Innovative and results-oriented **Front-End Developer** with **2 years of experience** in designing and building scalable, user-centric web applications. Proficient in **React.js, JavaScript**, and modern web technologies, with a proven track record of improving application performance and user engagement.

Work Experience

Front-end Web Developer
Virtu Tech Solutions | July 2023 – Present

- Spearheaded the development of 5+ high-performance web applications, achieving a 30% increase in user engagement through intuitive design and seamless functionality.

- Reduced page load time by 40%, enhancing user experience across devices by optimizing code and leveraging modern tools like Vite.

- Collaborated with backend teams to integrate RESTful APIs, ensuring secure and efficient data handling.

- Championed unit testing with 90% coverage, significantly decreasing bug reports by 50% and enhancing code reliability..

Education

Bachelor of Technology in Computer Science Engineering
Nalla Narasimha Reddy Group of Institutions | 2019 – 2023

- CGPA: 6.37
- Relevant Coursework: Data Structures, Java, Web Development, Database Management

Intermediate (MPC)

SR Junior College, Karimnagar | 2017 - 2019

• Percentage: 91%

Secondary School of Education

Ambitus School, Siddipet | 2016 - 2017

• CGPA: 8.2

Technical Skills

- **Front-End:** React.js, Redux, HTML5, CSS3, JavaScript, Bootstrap, Tailwind CSS

- **Back-End:** Java, Node.js

- **Database:** Oracle, MySQL, MongoDB

- **Tools & Other:** Git, RESTful APIs, Vite

Key Projects

Foneshack (E-commerce Platform)

- Engineered a dynamic and interactive e-commerce platform for mobile phones and accessories, increasing conversions by 25%.

- Designed and optimized React-based components for scalability, enhancing performance and responsiveness.

- Leveraged React Router for seamless navigation and Vite for efficient build processes.

EZBarrel (Import/Export Operations)

- Built a web application tailored to import/export businesses, streamlining operations and improving accessibility.

- Implemented real-time transaction tracking and secure user authentication.

Genzpay(Digital Payment Platform)

- Developed a secure, scalable payment solution used by 10,000+ daily active users, supporting real-time transactions.

- Integrated features like multi-factor authentication and robust error handling.

Certifications

- React.js Advanced Concepts

- NPTEL Online Certification

- NCC Certification

Professional Development

- Contributor to open-source projects on GitHub, focusing on improving application performance and accessibility.

- Active participant in JavaScript and React.js meetups, staying updated with the latest industry trends.

Languages

- Telugu (Proficient) | Hindi (Fluent) | English (Proficient)

Achievements and Initiatives

- **Increased Team Efficiency:** Automated repetitive tasks using custom-built React components, reducing development time by **20%**.

- **Innovation Award:** Recognized for introducing an optimized component structure in React.js that improved code maintainability.

Interests

- **Exploring Technology:** Continuously learning new tools and frameworks to stay at the forefront of web development trends.

- **Sports and Fitness:** Active participant in team sports, showcasing leadership and collaboration skills.

- **Photography:** Passionate about capturing unique perspectives, emphasizing attention to detail.
